Civil supplies - Jaggery - Manufacture from Cane - Hospet area - Prohibition - Villages for exemption - Report submitted.

(i) G.O.No.Ms.59 Development dated the 22nd January 1943. — pp 21-22 of (V)

(ii) Government Endorsement No.1933-J/43-1 dated the 2nd February 1943. — p 2 above

(iii) Government Endorsement No.1933-J/43-2 dated the 5th February 1943. — p 4 above

(iv) Government Endorsement No.1933-J/43-4 dated the 8th February 1943. — p 17 above

---

pp 21-22 of (V)

I have the honour to state that with reference to paragraph 2 of the G.O. quoted above, the District Agricultural Officer, Bellary, was instructed on 24th January 1943, to report after inspection the names of villages and the exact portions of fields in such villages that require exemption. On 30th January I received the report of the District Agricultural Officer in which he recommended that the following six complete villages appearing in the Government Notification may be exempted from the prohibition imposed with regard to jaggery manufacture. — p 22 of (V)

1. Hosakota.
2. Kalagatta.
3. Kanvibasapur.
4. Dhanapur.
5. Nimbapur.
6. Venkatapur.

A copy of the District Agricultural Officer's report is enclosed for the information of Government. — p 22 below

2. In the meanwhile, I received information that the Sub Collector, Hospet, was making out a list of villages that deserve exemption. I therefore wired to him on 2nd February 1943 with a request to let me have a copy of his list. He recommended the inclusion of Malapuram village in the schedule to the Government notification, the complete exemption of the Singanathana-halli and Kanvibasapuram villages and partial exemption of the following villages to the extent noted against each. — A

Kalaghatta.	125 acres.
Dhanapuram.	38 "
Venkatapuram.	80 "

The total acreage for exemption according to the Sub-Collector's recommendation is stated to be 424 acres. A post copy of the telegram is enclosed.

3. In view of the differing recommendations of the District Agricultural Officer and the Sub Collector, I issued instructions to the former on 4th February 1943 to get immediately in touch with the Sub Collector and submit a unanimous report after consultation with him giving at the same time the actual survey numbers for the area recommended for partial exemption. In spite of a telegraphic reminder, I have not yet received the District Agricultural Officer's report.

4. Besides the telegraphic representations from ryots communicated with Government Endorsements referred to in items (ii) to (iv) above, I have also received direct telegrams praying for exemption, from the ryots of Hosakota village.

5. In view of urgency, I request that exemption may be granted to the villages recommended by the Sub Collector and that he be empowered by telegraphic order to issue permits for manufacturing jaggery in the areas in the three villages of Kalaghatta, Dhanapuram and Venkatapuram in respect of which he has recommended partial exemption pending information as to the exact survey numbers of fields to be exempted.

I have the honour to be,
S i r,
Your most obedient servant,

DIRECTOR OF AGRICULTURE.

9.2.43.

(Copy to the Sub Collector, Hospet.)

P.S.

Since writing the above report, I have received the following telegram from the District Agricultural Officer, Bellary, from his Hospet camp.

"Jaggery prohibition Sub Collector's proposal agreed. Report follows. Wire orders exemption areas proposed situation tense.

D.A.

Copy of District Agricultural Officer's report dated the 29th January 1943.

Sugarcane - jaggery manufacture - Prohibition of - Hospet area.

Due to transport difficulties the ryots of the following villages cannot cart their canes to the factory except at a very high cost.

1. Hoskata. 2. Kalagatta. 3. Kanvibasapur.
4. Dhanapur. 5. Nimbapur. 6. Venkatapur.

The villages may therefore be exempted from the operation of the prohibition order.

2. There is no fear of the ryots of the neighbouring villages carting their canes to the exempted areas for want of

transport facilities and as they generally make jaggery in their own holdings to avoid unnecessary expenses and inconvenience.

Copy of telegram issued by the Sub Collector, Hospet, to the Director of Agriculture, Madras, dated 3rd February 1943.

RECOMMENDING INCLUSION MALAPURAM SCHEDULE COMPLETE EXEMPTION SINGANATHANAHALLI KANVIBASAPURAM PARTIAL EXTENSION ACRES 125 KALLAGHATTA 38 DHANAPURAM 80 VENKATAPURAM TOTAL EXEMPTED 424 REQUEST PERMISSION ISSUE JAGGERY MANUFACTURE PERMITS ANTICIPATION. from the fields proper. A plan is herewith appended for your kind perusal and a personal inspection of this spot will convince you of these facts. ~~Hence it is needless~~

Hence it is needless to say that if the cane from these fields is to be carted to the factory, the -- expenditure on this portion will be too much, may not be so in fact. Further, I like to draw your attention to particularly the labour problem here which is very acute. In the case of the proposed village itself not more than 300 labourers will be available which is less than half of it. This labour population is not sufficient even for the acreage of the village. The next nearest village is --- Kumaraipalayam and even there the difficulty exists. Therefore even if the ryots are prepared to pay the same there is not labour available for cutting and carting the cane in those areas. But if the the cultivators from Kumaraipalayam are engaged they will have to go all the way from the village about 4 miles to the Lingamanaickenpalayam from there go about 2 miles to the Factory which would be very tedious and troublesome. This is particularly the reason why the Kumaraipalayam refuse.

Such being the difficulties, the ryots even --- since the installation of the factory are prohibited to think about growing foreign (improved variety) cane in these areas, though it pays him more. That is why they are sticking on to the local variety only, even to this day, though for some years preparing jaggery was a heavy loss compared to carting the same to the factory. Moreover the yield of the local variety is also comparitively

low, difference being about 5 to 10 times per acre.

Now the Government Order prohibiting the ryots from manufacturing jaggery has hit them very hard. The price -- fixed for the local variety is also less than the foreign variety, the yield is less and the cost of cane cutting and carting is abnormally high thus putting the ryot to a terrible and irretrievable loss.

Many ryots have already taken heavy advances long before sowing seeds in fields, wells, coolies etc., as usual as there is no other alternative for the ryots than to make jaggery. Now, if they are prohibited from preparing jaggery not only they will not be able to repay the advances but also will be forced to leave the cane for-growing which they have spent all their money, once and ever, thing -- as there is no other remedy for want of transport -- facilities etc.

Under the circumstances mentioned in the petition from Rxdm.C.C.No.[illegible] dt. 22-1-43 as per clause 2 therein and allow the ryots to prepare jaggery for their own and thus relieve them from the present [illegible] and -- [illegible] and from perishing. For this act of kindness, the ryots and myself would feel [illegible] ever grateful.

Kamalapuram,
Hospet, Taluk.

Dept.-Deptt

Civil Supplies - Jaggery - Manufacture from Cane Hospet area - Prohibition

pp 21-23 CF From the D A Nr. C.2 1362.42 of 9.2.43

pp 21-22 of (V) In Go no. 59 Dept of 22.1.43 the Govt prohibited the crushing of Cane for the manufacture of jaggery in the Hospet area. The D.A was requested to submit a list para 2. pp 21-22 of (V) of villages requiring exemption from this prohibition. Meanwhile the Govt received telegrams from the ryots pp 1-15 CF of Kannibasapur, Kalaghatta, Venkatapur, malpangudi and Narasapur villages praying for exemption. These telegrams were forwarded to the D.A, the C.E.S and p 17 CF the Collector of Bellary for remarks. The reports of the CES and the Collector have not yet been received. It does not seem necessary to wait for them. The D.A in Consultation paras 2 and 5 on pp 21-22 CF with the Subcollector Hospet recommends exemption for the following villages.

A	Singanathanahalli	-	Whole village.
	Kannibasapur	-	-do-
B	Kalaghatta	-	125 acres
	Dhanapur	-	38 acres.
	Venkatapur	-	80 acres.

Bon p 22 CF The Dt. Agl. Officer has suggested Hosakota and pp 9-15 CF Nimbapur also. Malpangudi and Narasapur villages which have represented to Govt have not been recommended for exemption. Under the pp 21-22 (V) existing orders no exemptions can be granted. It is

V/

for Consideration whether the order maybe amended empowering the C.C.S or any other officer authorised by him to issue Special permits in particular cases. This will obviate the need for demarcating the prohibition area from non prohibition area in the Same village, though the special permits will be issued with reference to the distance of Cane fields from the Sugar factory. A Copy of the D.A's report maybe sent to CCS.

2 The Sub Collector Hospet has Suggested the inclusion of Malapuram in the prohibition area This maybe done.

I would not 'A' officer include this in the present order.

3 Subject to orders a Draft order is submitted for approval. It may go to Legal for Scrutiny before Circulation.

Re 10.2.43 - 10.2.43

C 10243 .S.

If the order below, delegating the exempting power to the CCS, is approved, the report of the D.A. may simply be sent to him for taking action to exempt the recommended villages. If not, a list of the exempted villages will have to be appended to the order, and notification redrafted.

This will only take more time now

C 10243 .S.

I would not go with the draft agreed below - DDO and CC

The two villages at A are

1933-J.

P[illegible] be exempted and as regards the parts at B which a fetish lets me have definite natural boundaries, Govt may be empowered to exempt-- by order up to the area stated
